ROCK SOLIDLY RELIABLE

GL-CT 5

**Cement Free Calcium Oxide Rapid
Deterer**

PRODUCT APPLICATION

This device can be utilized for rigorous time constraints and is a supporting tool for the quick measurement of free calcium oxide with ethanol. It can also be modified for heating and stirring (using a magnetic stirrer).

Product Specifications

SPECIFICATIONS	GL-CT 5
Power Supply	AC 220V \pm 10%, 50 Hz
Stirring Speed	Infinitely adjustable
Heating Power	< 600 W, (adjustable)
Timing Time	Arbitrarily set as required, includes timer alert
Recirculation Pump	AC 220V, 50 Hz, < 12 W (not included with magnetic mixer)
