ROCK SOLIDLY RELIABLE

GL-CC 103

**Ultrasonic Constant Temperature
& Humidity Controller**

PRODUCT APPLICATION

Large-scale concrete, cement products, and other test parts can be maintained in different laboratories with this product, which complies with GBJ204-83, GBJ177-85, (ISO) GB/T-17671, and GB/T 50081-2019 "concrete physical and mechanical properties test method standard."

Product Specifications

SPECIFICATIONS	GL-CC 103
Temperature Control	20±2 °C
Temperature Control Error	±1 °C
Humidity Control	≥95% RH
Power Supply	380V (three-phase five-wire), 50 Hz
Refrigeration Power	3000 W / 4000 W
Heating Power	9000 W
Control Volume	50 m ³ / 100 m ³
